Quiz: The Past Simple and Present Perfect Tenses

The 9th grade class is currently preparing for their transition (מעבר) to high school next year. Their English teacher, Raviv, _____(help) them with different activities. "You _____ (learn) everything yet, but you've improved a lot," he told them. Last month, they _____ (work) on grammar, and last week, they _____ (practice) writing essays. Some students still _____ (not understood) all the new vocabulary, but they _____ (try) their best.

Today, Raviv _____ (give) them a review. Some students _____ (never write) a formal letter in English before, while others _____ (do) it a few times. "You _____ (already make) good progress," Raviv said. "But remember, there are still things you haven't learned yet." The students left the class feeling more confident than they did before.
