

The weather in the city

Match the images with the paragraphs of each city

Yesterday, in Guayaquil, there was a lot of rain. The streets were full of water. People couldn't cross the streets. Everyone was wet. People had to use umbrellas. Finally, the sun came out!

Yesterday, in Cuenca, it was so hot but it rained in the afternoon.

Yesterday in Quito it was very hot because it is too sunny and I stayed because I did not use sunscreen.
