Mr Ford is a computer expert. He's giving a lecture on computers. Peter and Vera are sitting at the back and can hardly hear him. Sally can hear him much better. She's reporting his words.

1 'Computers are the miracle of modern technology.'
2 'They are easy to use.'
3 'I use my computer every day.'
4 'I mostly need it for my research.'
5 'Sometimes I play computer games.'
6 'Some games are very violent.'
7 'I don't like violent games.'
8 'I bought a new mobile phone a week ago.'
9 'I have always wanted to have one.'

1 Mr Ford says that _____

2 He thinks that _____
