The Romans

A The Romans came from Italy. They had a big empire in Europe and North Africa. They lived between 753 BCE and 476 CE.

B They didn't speak Italian, they spoke a language called Latin. People don't speak Latin today, but many languages use Latin grammar today and scientists use it.

C The Romans built their houses from wood and stone. They built many famous monuments and some of them we can still see today! They also built a very famous wall between England and Scotland called Hadrian's Wall.

D The Romans liked beautiful things. Sometimes people find things from Roman times which are very valuable, like gold coins, and other objects like helmets, combs or bowls. The Romans lived all over the world and their empire was very famous.
