**Somebody That I Used to Know**

Now and then, I think of when we were together
Like when you said you felt so happy you _____ die
Told myself that you were right for me
But felt so lonely in your company
But that was love, and it's an _____ I still remember

You can get addicted to a certain _____ sadness
Like resignation to the end, always the end
So when we found _____ we could not make sense
Well, you said that we would still be friends
But I'll admit _____ I was glad it was over

But you didn't have to _____ me _____
Make out like it never happened and that we were nothin'
And I don't even need your love
But you treat me like a stranger, and that feels so rough

No, you didn't have to _____ so _____
Have your friends collect your records and then change your number
Guess that I don't need that, _____
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know

Now and then, I think of all the times you _____ me _____

But had me believin' it was always somethin' that I'd _____.
But I don't wanna live that way
Readin' into every _____ you say
You said that you could let it go
And I wouldn't catch you _____ on somebody that you used to know

But you didn't have to _____ me _____
Make out like it never happened and that we were nothin' (ah)
And I don't even need your love
But you treat me like a stranger, and that feels so rough (ah)

No, you didn't have to _____ so _____
Have your friends collect your records and then change your number (ah)
Guess that I don't need that, _____
Now you're just somebody that I used to know

Somebody I used to know
Somebody (now you're just somebody that I used to know)
Somebody I used to know
Somebody (now you're just somebody that I used to know)
I used to know
That I used to know
I used to know somebody
