Choose the correct words to complete the texts.

One of my favourite possessions is my travel bag. It's made of soft brown [1]**wood / leather** and it's about thirty years old. It was a birthday present from my parents. Each time I use it, it reminds me of past journeys and the adventures I had when I was young. It's a bit [2]**damaged / genuine** now and it isn't [3]**special / worth** a lot, but it's very [4]**special / inherited** to me.

My favourite item of clothing is a [5]**genuine / worth** Mary Quant dress from the 1960s. It [6]**inherited / belonged** to my mother and I [7]**inherited / damaged** it from her – she was a fashion model in the 1960s and had lots of amazing clothes. It has a bright orange design. I think it's really [8]**leather / cool**!
