# Believe

By Shawn Mendes

**mistakes, you, true, shape, afraid, mountain, possible, heart, fire, I believe in you, stars, ignite,**

I believe, I believe, I believe, hey (x8)

Everest is only a _____.
A pyramid is just a _____.
Doesn't have to hold you back
Doesn't have to pin you down
Let your dreams take flight
And your _____ ignite

Did you know that it's _____?
Everything is possible
There's nothing we can't do
It's a wild and beautiful _____
And I believe in you
I believe, I believe, I believe, hey (x8)

Don't be _____ to be who you are
Just dream and shout out and follow the _____.
Forget about the past that it's over
We are the young ones our way is forward.

Who keeps tabs on stupid _____?
We all mess up but that's just the way
We learn how to get back up
We learn how to turn the page
So we will let our dreams take flight
And our hearts _____

Did you know that it's true?
Everything is _____
There's nothing we can't do
It's a wild and beautiful fire
And I believe in _____.
I believe, I believe, I believe, hey (x8)

Let your dreams take flight
And your heart ignite
Did you know that it's true?
That everything is possible
There's nothing we can't do
It's a wild and beautiful fire
And _____
I believe, I believe, I believe, hey (x8)
(I believe in you)
