Competition time

Hello! My name is Anita. I'm from Mexico City and I'm 9 years old. In my school there are a lot of sports competitions all the time, and I really like to participate in all of them! I'm very competitive, so I always want to win. I always practice very hard to get medals and win trophies, but sometimes I don't win. My favorite competitions are races. I'm very fast! Do you like competitions too?

Read the text about Anita and complete the sentences with the words in the box.

medals - races - competitions - win - trophies - practices
