My friend Tim has always loved photography and he has asked me to go with him to the forest and take photos of the wildlife. I've always said no, because the idea of looking at some trees all day doesn't seem at all interesting. Anyway, last week I agreed to go with him. He told me that he wanted to take a photo to enter a competition, and needed someone to help him carry his equipment. The journey there wasn't too long, and the forest was a beautiful place to be. But I was bored after an hour.
