**Sports Day at School**

Last Saturday, our school had a Sports Day. In the morning, we watched a football match between Class 3A and Class 3B. After that, the **match** ended in a draw, so neither team won. Then, some students built a small stage.

There was a game where we climbed a ladder and touched a pole at the top. Another game was a rope jumping game. We also had a race where we carried a cup of water without spilling it. At lunchtime, teachers told us to turn around and wave to our parents. In the afternoon, we had a game to measure how far we could throw a ball. The last activity was a play where students acted like sports stars.
