Unit 3 Language Block – Level 3 ESL

Day 2 Paragraph

I clean my kitchen every day because it gets dirty quickly. My roommate helps me organize the space. We share the bathroom and kitchen. Sometimes there is a mess, but we work together. Being responsible is important. We help each other and keep things clean. A clean space makes people feel comfortable. It is good to organize your home. Everyone should help with responsibilities. This makes living together easier.
