I wake up, ...morning

Ah! Sounds of the old alarm .....

Hurry up, still asleep

You gotta go to.....

And you wonder why

Why you have to kill every single.....

You are fine, without shame

Without....., without fear

oh, but you have to try

You have to try to.....

You try so hard to understand

You have to try and try so hard

In a bus, in your car

In a ....., in an airplane

So fed up with this.....

So cold and insane

And you wonder why people don't.....

They don't hug and don't share anymore

Birthday hassle and they lie

And can't stand more, anymore

Every.....you go back

To your Super Dock flats

And throw your shoes and watch TV

Eat....., as usual

And you wonder why

On your .....there's only war

People try not to hate

While in bed, you feel.....

You feel blue, you feel sad
