A. Petropavlovsk-Kamchatsky is on the Kamchatka peninsula in the far east of Russia. Ecotourism in this region is a new trend, with various activities on offer from breathtaking mountain and volcano hikes, sailing and kayaking to fishing and hunting trips. The town is also a gastronomy destination: Kamchatka crabs and other seafood are known delicacies.

B. Experts recommend that teens get 60 minutes or more of physical activity each day. Exercise benefits every part of the body, including the mind. It makes the body produce endorphins, chemicals that can help a person to feel more peaceful and happy. Exercise can also help some people sleep better. Moreover, physical activity reduces a person's risk of developing certain diseases.

C. It's hard to put together the top gifts to buy in London because there are just so many great things to shop for, some in unexpected places. Some of the best London gifts are items with the pictures of the sights, such as tea mugs, T-shirts and magnets. You can find nice handmade items in Convent Garden. They will remind you of your trip to London.

D. The Lagoon Ranch resort is on the western bank of the Baikal, in the area called the Small Sea, and offers several types of accommodation: from the most affordable two-person summer houses to double rooms and separate cabins. There are stables and a horse-riding arena, sports grounds, Russian sauna and Baikal tour guide services available.

E. Through fishing you can learn many things that will also help you in other areas of your life. Fishing can really challenge you, and it really helps to build up patience and persistence, skills which you can use in different areas of life. A huge part of fishing is how you handle not catching any fish or even losing a potential catch. This is a big lesson that we all learn when fishing.

Задание 19. (in class)

Imagine that you are preparing a project with your friend. You have found some interesting material or the presentation and you want to read this text to your friend.
You have 1.5 minutes to read the text silently, then be ready to read it out aloud.
You will not have more than 1.5 minutes to read it.

Is French toast from France? Yes and no. Dipping bread in eggs and frying it is a pretty universal solution to making stale bread go further. The French certainly had a medieval version and this later became a name that has been enthusiastically adopted for the deluxe versions. The earliest recorded recipe for the dish occurs in the work of the Roman cook in the first century AD.

In his book The Art of Cooking, he writes, rather casually, that it's just another sweet dish. However, the dish was also sometimes referred to as 'Poor Knights of Windsor'. One theory offered in explanation is that the most expensive part of a medieval banquet was dessert – spices and nuts were costly imports. Although titled, not all knights were rich, so a dish of fried eggy bread served with jam or honey would have fulfilled the requirements of etiquette without breaking the bank.
