Task 3: Read the text and choose the correct answers.

My City Life

I live in a modern apartment in a large city. The streets here are often very busy and crowded, especially during the day. Sometimes, getting to work is hard because there's a big traffic jam. My street is a bit narrow, but my apartment building has a convenient parking lot.

Inside, my apartment is very comfortable. At night, the streets outside become quite deserted, which makes it much quieter. I try to be eco-friendly by using public transport often.
