

# REPASO CONTROL UNIT 7

1. Choose (ojo, puede haber más de una respuesta, fíjate bien en lo que dice cada oración):

|                                                                                     |                   |                                                                                      |                |
|-------------------------------------------------------------------------------------|-------------------|--------------------------------------------------------------------------------------|----------------|
|    | He is cold.       |    | He's cold.     |
|                                                                                     | She's cold.       |                                                                                      | He's hot.      |
|                                                                                     | She is thirsty.   |                                                                                      | Is she hot?    |
|   | He's happy.       |   | She isn't sad. |
|                                                                                     | He is bored.      |                                                                                      | She's happy.   |
|                                                                                     | He's bored.       |                                                                                      | She is happy.  |
|  | She isn't sleepy. |  | He's hungry.   |
|                                                                                     | She's scared.     |                                                                                      | Is he dizzy?   |
|                                                                                     | Is she scared?    |                                                                                      | He's cold.     |

2. Order those words (falta la mayúscula y el punto al final, para no daros pistas.):

|    |     |        |
|----|-----|--------|
| is | she | hungry |
|----|-----|--------|

|  |  |  |
|--|--|--|
|  |  |  |
|--|--|--|

|         |       |    |
|---------|-------|----|
| thirsty | isn't | he |
|---------|-------|----|

|  |  |  |
|--|--|--|
|  |  |  |
|--|--|--|

|     |       |   |     |
|-----|-------|---|-----|
| are | dizzy | ? | you |
|-----|-------|---|-----|

|  |  |  |  |
|--|--|--|--|
|  |  |  |  |
|--|--|--|--|

|    |     |        |   |
|----|-----|--------|---|
| is | she | scared | ? |
|----|-----|--------|---|

|  |  |  |  |
|--|--|--|--|
|  |  |  |  |
|--|--|--|--|

3. Elige la oración adecuada para decir...

Miguel está aburrido:

|              |                  |                   |
|--------------|------------------|-------------------|
| He is bored. | Miguel is bored. | Miguel is sleepy. |
|--------------|------------------|-------------------|

¿Está (ella) mareada?

|              |               |               |
|--------------|---------------|---------------|
| She's dizzy? | Is she dizzy? | She is dizzy? |
|--------------|---------------|---------------|

¿Estás (tú) hambriento?

|                 |                |                 |
|-----------------|----------------|-----------------|
| Are you hungry? | Are you angry? | You are hungry? |
|-----------------|----------------|-----------------|
