Rivers run down streets in Adyar, Chennai

Rain causes floods in Chennai! Chennai: People living in Chennai were hit by torrential rain last night, which made rivers run down the streets. Our reader, Miss Maya, who sent us a photograph said, "I had to wade through knee deep water to go to the shop for milk and bread. My friends frantically put sandbags in front of their gate so the water didn't run into their house!"

The meteorological department reported that Chennai received 14.9 cm of rainfall last night. Incessant rain caused waterlogging in many parts of Chennai, St. Thomas Mount, Velachery, Anna Nagar and T. Nagar, witnessed widespread waterlogging.
