Hi Mark,

It's great to hear from you. Congratulations on becoming captain! Awesome news!

I love our new house. It's brighter, bigger and there's a garden. Brighton isn't as big as Manchester, but there are loads of things to do. There's a really good football team here. They're great!

My school is the largest in Brighton, but it isn't as modern as Victoria Park. I met a boy called Simon on my first day. He's into computer games like me. I guess he's my best mate at the moment!

Write soon,
Jamal
