"WIND BENEATH MY WINGS"
Song Activity

Task: Listen and click the correct words.

It **might have / must have** been cold there in my shadow
To never have sunlight on your face
You were **content / happy** to let me shine, that's your way
You always walked a step behind
So I was the one with all the **glory / fame**
While you were the one with all the **faith / strength**
A beautiful face without a name for so long
A beautiful smile to **take away / hide** the pain

CHORUS
Did you ever know that you're my hero
And everything I would like to be?
I can fly higher than an eagle
For you are the wind **beneath / under** my wings

It **might have / must have** appeared to go unnoticed
But I've got it all here in my **heart / soul**
I want you to know I **hear / know** the truth, of course I know it
I would be nothing without you

CHORUS

You, you, you, you are the wind beneath my wings
Fly, fly, fly away, you let me fly so high
Oh, you, you, you, the wind beneath my wings
Oh, you, you, you, the wind beneath my wings
Fly, fly, fly high against the **sky / sun**
So high I almost **touch / reach** the sky
Thank you, thank you
Thank God for you, the wind beneath my wings……
Oh, oh, oh, no down to where?
