If you like shopping, you'll love City Square Mall! There are lots of great shops here. The best part is, the mall is friendly to the environment! I went to City Square Mall last weekend. I met my friends for lunch there.
If you're interested in visiting City Square Mall, I'll give you some advice: see a film while you are there! There is a big cinema and, if you're hungry after all that, you can have something to eat at the many restaurants there. You are spoilt for choice!
