**Task 1. Read the text and match**

*All of my friends are travelling somewhere this summer, and I will miss them so much! Ned is going to Cambridge with his parents to visit his uncle. He wanted to go to Brazil, but his trip was cancelled because he didn't get visa. Anita prefers visiting continental countries because she doesn't like hot weather. However, she is going to San Sebastian with her older sister, so she is going to pack a lot of sun cream. As for Tony, he is not such a big traveller, but his fiend Pete is taking him to Tokyo – a great chance to try some REAL sushi! By the way, Jay is travelling to Berlin, but his brother Jack is going to Kyiv. Even my cousins Wendy and Sophie are going abroad, to Italy! And they are going to visit Rome, the ancient city of history and culture. Well, I'm the only one stuck in my country this summer. I'm sure I will have fun anyway. After all, the USA is full of interesting things to see and to do, too!*
