IRIS - GOO GOO DOLLS

And I'd give up (forever / never) to touch you
'Cause I know that you feel me somehow
You're the closest to Heaven that I'll ever be
And I don't wanna go (home / love) right now
And all I can taste is this moment
And all I can breathe is your life
And sooner or later, it's (over / start)
I just don't wanna miss you tonight
And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be (broken / perfect)
I just want you to know who I am
And you can't fight the tears that ain't coming
Or the moment of truth in your lies
When everything feels (time /like) the movies
Yeah, you bleed just to know you're alive
And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's (make / made) to be broken
I just want you to know who I am
And I don't want the world to see me
'Cause I don't think that they'd (misunderstood / understand)
When everything's made to be broken
I just want you to know who I am
And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be (perfect / broken)
I just want you to know who I am
I just want you to know who I am
I just (want / went) you to know who I am
I just want you to know who I am
