Score:

Read the following idioms, and math them with their correct meaning. Then fill in the blanks with the corresponding idiom.

- **a (real) feather in our cap**
- **constantly on the move**
- **going the extra mile**
- **move up the ladder**
- **pay off**

1. _____
A notable achievement or success that you can be proud of.

2. _____
Made an extra effort beyond what was expected or required.

3. _____
To get a higher position or promotion within a company or career.

4. _____
Very busy and active, always doing something or moving from one task or place to another.

5. _____
When hard work or effort results in a positive outcome or reward.

A: Hey, did you hear that Marco got promoted to team leader?

B: Yeah, I did! He really deserves it. He's been _____ on every project.

A: Totally. I remember when we worked with him on that product launch—he was _____, handling logistics, client calls, everything.

B: And in the end, all that hard work _____. That campaign was a big success.

A: It really was. Honestly, it was _____. The client was thrilled.

B: For sure. And now Marco's finally _____. It's great to see his effort being recognized.

B. Based on the conversation, decide if the following statements are True or False

1. Marco regularly made extra efforts on important projects.

2. Marco avoided being active and involved during the product launch.

3. The team's successful campaign became an important achievement they were proud of.

4. Marco's hard work and dedication eventually brought positive results.

5. Marco's promotion showed that he advanced professionally in his career.
