SPORTS AT SUMMER CAMP

Today, we are at the summer camp! Look at them! In the lake, they are rowing a big boat quickly because they want to win a race. In the forest, they are hiking quietly to look at the birds. Up on the mountain, we are climbing carefully with our teacher. In the river, we are canoeing dangerously near the big rocks. At the beach, they are windsurfing happily in the water, but other children are swimming slowly because they are tired. Finally, in the river, we are fishing loudly and singing songs! It is a fantastic day.
