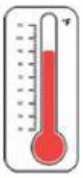
It is hot in the summer.



We wear clothes that keep us cool and protect us from the sun.

I wear a t-shirt to keep my arms cool.

I wear a hat. It keeps my head and face safe from the sun.

I wear shorts to keep my legs cool.

I wear sunglasses to protect my eyes from the sun.

I wear a dress to keep me cool.

I wear sandals to keep my feet cool.

I go to the pool in the summer. I wear a swimsuit.

I go to the beach in the summer. I wear swim trunks.

Summer clothes keep us cool and sun safe.
