Prehistory

Modern Age

Read a part of the diary of Christopher Columbus and tick what the text tells us.

Thursday 11th October 1492:

At two o'clock in the morning the land was discovered, two leagues' away. We continued to sail towards the land until the next day, which was Friday. We found ourselves near a small island, one of the Lucayos, called in the Indian language Guanahani. When we went onto the island, we saw that the people had no clothes on.

The day Columbus discovered land.

What clothes the local people were wearing.

The weather in October 1492.

The name of the island Columbus discovered.

The life of the sailors in 1492.

The food the local people ate.

What the local people looked like
