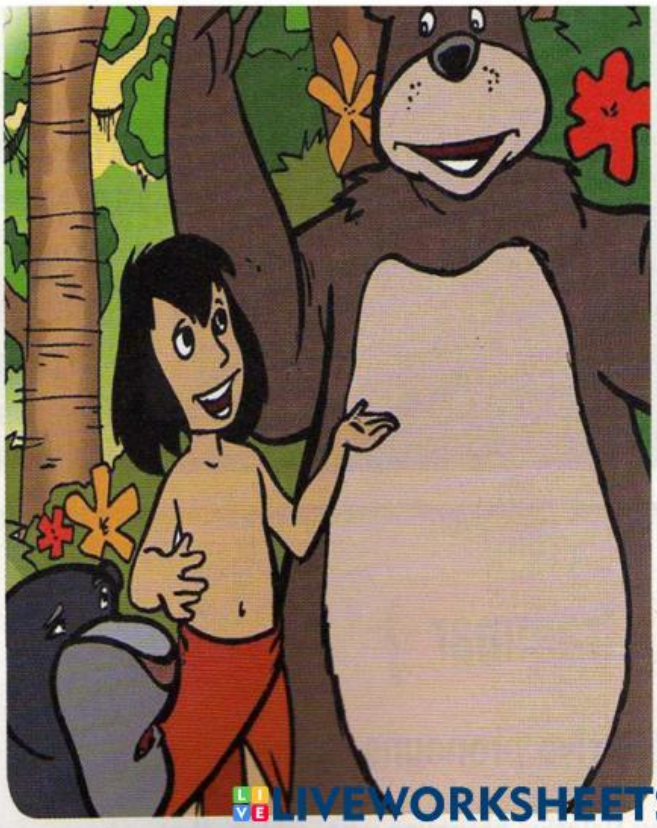
The story of Mowgli is well-known. Mowgli is a little boy (**1**) **whose / who** parents leave him in the jungle when a tiger, called Shere Khan, attacks them. Mowgli stays in the jungle (**2**) **which / where** he makes new friends, like Balloo the bear and Bagheera the panther. All the animals (**3**) **who / which** live there love Mowgli and protect him from Shere Khan (**4**) **who / which** wants to take him away. One day Mowgli visits a village (**5**) **that / where** people live and finds a woman (**6**) **whose / who** is his real mother.



LIVEWORKSHEETS
