Evaluation Task 565

1. Вы услышите диалог. Выберите правильный ответ на каждый вопрос, обозначенный буквами А–Е, выбрав его из выпадающего списка. Вы услышите запись дважды

- A. Who is going to look for a new job?
- B. Who was the boss angry with?
- C. Who was making a lot of noise?
- D. Who is Betsy?
- E. Who is going to the circus?

2. Установите соответствие между текстами и рубриками, выбрав рубрику из выпадающего списка. Используйте каждую рубрику **только один раз**. В задании одна рубрика лишняя.

A. Рубрика:

Sports in Australia are very popular. Australia takes part in the main sports events like the Olympic Games, the Paralympics and others. In many ways it seems to be the sports and outdoor activity capital of the world. Australian athletes are famous worldwide. There's a wide range of climates on the continent, so a wide range of sports is available throughout the year.

B. Рубрика:

Surfing is the sport associated with Australia, and if you are brave enough, you can enjoy this sport all year around. Swimming is very popular, too. Australians and tourists enjoy swimming both in swimming pools, and, of course, at the beaches. Other popular sports include walking, jogging, cycling and much more.

C. Рубрика:

It may sound surprising but Australia also offers skiing, cross –country skiing and snowboarding. The snow in Australia is real and ski resorts are popular. The largest and the highest skiing resorts are in New South Wales and in Victoria. The best opportunities for winter hiking and cross – country skiing are in Tasmania as the state is located much further south.

D. Рубрика:

One of the most popular Australian team sports is netball. It's particularly popular with women who are very active in playing it and most of spectators at netball matches are women, too. Men's netball teams exist but they attract less attention from the media and spectators.

E. Рубрика:

Getting back to surfing, it's important to remember that it is a high risk sport, and sharks are not actually the main danger. Sharks are a common feature of Australian waters but fatal attacks are rare. There's another thing, however, that puts inexperienced surfers at much greater risk.

F. Рубрика:

It is a rip, or a rip current, which is a strong current running out to sea. It forms not far from the shore. It's difficult to notice when a rip comes. It drags everything from the beach to sea. Rips are very dangerous as they can carry a weak or tired swimmer out into deep water. They are the cause of most tragedies at beaches.
