Year 4 Maths Term 2 Week 3 Lesson 1

LO: Converting between units of time

Use these clues to help you convert between units of time.

60 seconds = 1 minute	60 minutes = 1 hour
24 hours = 1 day	7 days = 1 week
12 months = 1 year	28 to 31 days = 1 month
365 days = 1 year	366 days = 1 leap year

Activity. 1. *Show all your workouts.* ***(remember your multiplication facts)***

a. 2 years =_____days

b. 3 weeks = _____days

c. 5 minutes =_____seconds

d. 3 years =_____months

e. 3 hours =_____minutes
