A. Рубрика:

Stratford-upon-Avon is set in the beautiful rural Warwickshire countryside, on the banks of the river Avon. The town is one of the most popular tourist destinations in Britain. Known as the birthplace of William Shakespeare, Stratford has much to offer the visitor. In the pedestrianised part of the town centre you will find a lovely house and neat garden surrounded by a small wood, where Shakespeare was born in 1564. The life and times of Shakespeare can be experienced in this little town.

B. Рубрика:

There are many treasures a visitor will find strolling about the town. In Church Street you will find the grammar school where Shakespeare was educated. Nash House and New Place, where he lived from 1597 until his death in 1616 are nearby. Another famous home and perhaps one of the most photographed cottages in England is Anne Hathaway's cottage, where she lived before marrying Shakespeare in 1582.

C. Рубрика:

A trip to Stratford would not be complete without taking a short stroll to Holy Trinity Church, where William Shakespeare and Anne Hathaway are buried. That is, perhaps, the place most visitors should come to.

D. Рубрика:

Both the town authorities and the average citizens do as much as they can to make their town one of the best tourist attractions in the country. Thanks to their hard work, the town flourishes as a tourist attraction. Most of the citizens are really proud of being a part of the history of the country's national symbol – the greatest dramatist of all times and do whatever they can to preserve his memory.

E. Рубрика:

The Avon River adds greatly to the picturesque setting of Stratford. It's a great spot for a picnic, where you can watch the swans and tour boats glide by. Take a traditional ferry boat ride across the river to enjoy a riverside walk with open-air entertainers and much more. Appreciate the works of Shakespeare live at the famous Royal Shakespeare Theatre on the river. A dinner cruise is another delightful way to spend the evening.

F. Рубрика:

A visitor to Stratford will find a wide variety of accommodation: everything from hotels and a youth hostel in town to countryside farmhouses. There are various tour companies available to guide you around town. Restaurants, pubs and teahouses are scattered about the town that cater to every taste. Stop by the tourist information centre for information on what Stratford has to offer.

For hundreds of thousands of years the human race has thrived in Earth's environment. But now, at the end of the 20th century, we are at a crucial turning point. We have upset nature's sensitive equilibrium releasing harmful substances into the air, polluting rivers and oceans with industrial waste and tearing up the countryside to accommodate our rubbish. These are the consequences of the development of civilization. We are to stop it by joint efforts of all the people of the world.

The range of environmental problems is wide. But the matters of people's great concern nowadays are atmosphere and climate changes, depletion of the ozone layer, freshwater resources, oceans and coastal areas, deforestation and desertification, biological diversity, biotechnology, health and chemical safety. United Nations Environment Programme (UNEP) concentrates its activities on these issues.
