Gap fill. Choose the correct word to fill in the text: repairs, qualified, pay, conditions, customers (2), per month, shops, shop assistants, article, editor, read, front

This is the newsroom of a large British newspaper – The Independent.
This is where the journalists work and prepare the stories for the next day`s newspaper. Journalists check the details of the story, speak to people and then write an 1 . They are usually very busy in the evening. The story must be ready before 10.00 p.m. so it can be in the newspaper the day after. Journalists spend a lot of time in front of the computer. The journalists have meetings with the chief 2 every day to decide what are the most important stories for the next day. They discuss which story to put on the 3 page and the contents for the rest of the newspaper.

Journalists usually study at university and some go to journalism school. Newspapers are important in the UK and many people 4 them. There are seven national newspapers in the UK and the most popular is called the Sun.

There are many charity 5 in the UK. These are shops that sell new and used objects to help other people.

Shop managers and 6 in these shops normally work from 9:00 in the morning until half-past five or six o`clock in the evening, but they always work on Saturdays and sometimes on Sundays. They give 7 information, sell things and put things on a shelf.

It is not necessary to study at university to become a shop manager and shop assistant, but it is important to be good with money and to be friendly with the 8 .

A shop assistant normally has a pay of 1000 euros per 9 , but in charity shops the shop assistants are often volunteers.

A builder is someone who builds and 10 houses or buildings. This house has a problem with the roof. It rains a lot in the UK so they need a builder to fix it.

Builders normally study for three years at technical colleges to become 11 .

LIVEWORKSHEETS

It can be a difficult job. There are heavy things to carry and they have to work in dirty 12 . It is also dangerous sometimes, especially if you are working on the roof of a large house. Builders normally get a good 13 if they are specialized and well qualified. They generally work more in the summer when the weather is warm.

Match the words:

Check	well qualified
