The Hunger Games

Sci-fi adventure, 2012

In the future the USA is a new country called Panem. Every year the Capitol of Panem chooses 12 boys and 12 girls to go on a TV show called *The Hunger Games*. In this TV show the teenagers have to fight until there is only one person left. Katniss goes on the show and she has to run fast and fight to save her life.

I love the actors in this film. Jennifer Lawrence, Liam Hemsworth and Josh Hutcherson are fantastic as Katniss, Gale and Peeta. My favourite character is Katniss because she is very good at running and fighting. Also, I think that the film is good because it is exactly the same as the book.

I give *The Hunger Games* ☆☆☆☆☆, go and watch it soon!
