PART 13
QUESTIONS 46-50
The people below all enjoy music. There are descriptions of six places where people can have different musical experiences. Decide which place would be the most suitable for the following people. There is one letter, which you **DO NOT** need to use.

Jess loves watching spectacular concerts with fantastic dancers and wants to feel some of the atmosphere of a big musical event. She'd like to see performances by famous people she's heard about. 66. .....

LIVEWORKSHEETS

Joe's interested in classical music and wants to talk to professional musicians about their work. He'd like to find out more about classical instruments and play some music.

67. .....

Zoe likes listening to all sorts of pop music and wants a fun way to learn various dance styles. She'd like to bring something home to show her friends what she's learnt during her visit.

68. .....

Will wants to learn to play some of his favorite band's songs, and to know how his favorite singers create their own special sound. He'd like to try out some different instruments. 69. .....

James likes exploring the personal backgrounds of his favorite bands, and also the stories behind their well-known songs. He has his own band and wants some advice about performing live on stage.

70. .....

A. Rhythm-Studio

Get your body moving in the studio and learn to move to rhythms and sounds from the past to now, including Soul and Disco. Learn your steps from our professional onscreen dance instructor, then watch your performance and become the star in your own video recording which you can take away!

B. The Core

This is the place for musical history. You'll learn where your favorite singers and musicians grew up and discover the processes involved in writing famous songs and producing the videos. Find out about their journey to fame and get some tips on what makes a good concert! There's all you ever wanted to know about famous musicians!

C. Universe of Sound

Create your own musical experience - record yourself making music with a huge orchestra as they play on the video background screen – you can even download it to disc to take home! You can also learn about violins, flutes, trumpets and many more with our computer demonstrations, and meet real musicians who are present every day.

D. Rave-on

How about learning new skills on the guitar, drums and keyboard by video? Follow the touch-screen instructions to find lessons on each instrument, or search for a song to practice playing along to. Try our Professional Selection, with video clips of band members who will explain the techniques that make their recordings so individual.

E. Show-in-a-day!

Be a star singer or dancer for the day in a one-time-only special performance! Experts in international music and dance styles will train you, and costumes provided for the performance help create a special, individual show. Get your friends and family to come and see you perform, as no videoing or photography is allowed.

F. Finale

Imagine being in the crowd for amazing performances from the past. Enjoy 3D life-size videos from the stars of yesterday and today. You can experience the excitement of a massive rock stadium, and the sounds, movement and rhythms that created some of the most exciting music ever known.
