GIVE IT A GO

4 How many different ways can you say *I'm sorry*? Try saying sorry in the ways in the box.

scared	angry	tired	bored	happy	interested

5 Say *I'm sorry* for your partner to guess how you're feeling.

Tip

To say *sorry* and mean it, your voice falls.

I'm **sor**ry.

6 Match the apologies to the situations.

1 You ate your sister's chocolates. ☐

2 You laughed when your friend told you he / she had failed their English test. ☐

3 You shouted at your mum when she told you to do your household chores. ☐

a Sorry I was angry with you.

b Sorry I didn't understand how bad you felt.

c Sorry I didn't ask you first.

KEEP IT UP
