I. Read the following anecdote and complete the sentences. There is an example. Follow the color as guide and choose from the dropdown menu the correct answer.

Yesterday, I was doing my homework, it was a very difficult math exercise, I hardly understood it at school, so I knew I had to practice at home doing my homework. There were 10 problems in the homework, I was working on how to solve them for 2 hours, when suddenly I felt tired and I fell asleep. After 15 minutes, I woke up, only to notice my notebook had disappeared. Oh no! What a bad surprise! Suddenly I heard a strange sound from the kitchen, when I went to check the sound. I saw my cat and my dog playing with my notebook! I took it laughing happily because nothing happened to my homework.
