

I don't know my name

GRACE VANDERWAAL

I don't know my _____
I don't play by the rules of the

So you say I'm just trying, just
trying

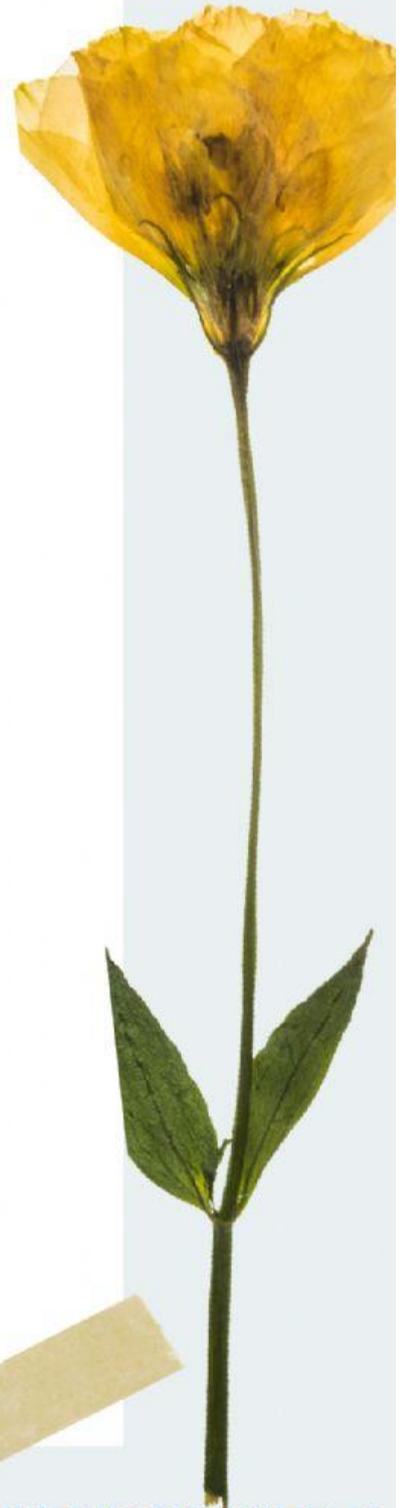

So I heard you are my sister's

You get along quite nicely
You ask me why I cut my hair
And changed myself completely

I don't know my name
I don't play by the _____ of the
game

So you say I'm just trying, just
trying

I went from bland and _____
To joining the marching band
I made the closest friends
I'll ever have in my lifetime

I am _____, trying to get found
In an ocean of people
Please don't ask me any questions
There won't be a valid answer
I'll just say
That I don't _____ my name
I don't play by the rules of the game
So you say I'm just _____, just trying
I now know my name
I don't play by the rules of the game
So you say I'm not trying
But I'm trying to find my way
