Grammar: Describing past repeated or habitual actions

Complete each sentence. Use would with the verb in parentheses, if possible. When you cannot use would, use used to.

Example:
When I was a child, my family **would get together** to play music after supper. (get together)

1. My mom…….the piano and sing. (play)
2. She had a beautiful voice, so everybody……her singing. (love)
3. My father……..his violin and join her. (take out)
4. He……to sing harmony. (like)
5. My brothers……..on their guitars. (join in)
6. I……..…….a little shy about playing my cello because I wasn't very good. (be)
7. But I ……with my parents because everyone said I had a nice voice. (sing)
8. Our neighbors…….to hear us, so in the summer, we would play out on our front porch. (want)
