Listen to the song as often as you need. Fill in the gaps with the missing words.

"Sounds of Silence"
by Simon & Garfunkel

https://www.youtube.com/watch?v=NAEppFUWLfc

Hello darkness, my old _____,
I've come to _____ with you again.
Because a vision softly creeping
Left its seeds while I was _____.
And the vision that was _____ in my brain
Still remains
Within the _____ of silence.

In restless dreams I walked _____
Narrow _____ of cobblestone.
'Neath the halo of a street lamp
I turned my collar to the _____ and damp,
When my eyes were stabbed by the flash of a neon _____
That split the night
And touched the sound of _____.

And in the naked light I _____
Ten thousand _____, maybe more—
People talking without _____,
People hearing without _____,
People writing songs that _____ never share.
No one dared
Disturb the sound of silence.

"Fools" said I, "You do not _____.
Silence like a _____ grows.
Hear my words that I might _____ you
Take my arms that I _____ reach you"
But my _____ like silent raindrops fell
And echoed in the wells of silence.

And the people bowed and _____
To the neon god they made.
And the sign flashed its warning
In the words that it was _____.
And the _____ said, "The words of the prophets
Are written on the subway _____
And tenement halls
And whispered in the sounds of silence".
