Name: _____	Class: _____	Date: _____
For each question, write the correct answer. Write ONE word for each gap.		

THE SCHOOL GARDEN

Last year, our science teacher suggested creating a small garden behind the school. At first, none of us knew much **(1)** _____ growing vegetables, but we all agreed to help. We spent two afternoons clearing the ground and deciding **(2)** _____ to plant. Our teacher showed us how to prepare the soil, and she asked each group to look **(3)** _____ a different part of the garden. By spring, the plants had grown so well **(4)** _____ we were able to pick tomatoes, beans and carrots. Some of the vegetables were used in the school kitchen, while the rest were sold to parents. We gave the money **(5)** _____ a local charity. The project was such a success that we have decided to do it **(6)** _____ next year.

Check that each answer is one word only.
