Can we go to the movies? There is a new comedy at the shopping mall.

No problem. We are going to meet at 3:30 p.m. in front of the cinema.

Hi! Sure, I'd love to. What do you want to do?

Yes, that's a great idea. See you on Saturday at 3:30!

Great! After the movie, could we have an ice cream at the mall?

Hi, Ana! Could we do something together this Saturday afternoon?

Perfect! I'm going to finish my homework before that, so I'll be on time.

That sounds great, but I can't go too late because I have dinner with my family.
