

**Part 5 – Matching and Information Transfer**

We interviewed six teenagers about their hobbies. Read the texts below and answer the questions that follow.

**Hobbies**

**A – WAN CHIN, 15 years old**

I love art. I started to draw and paint since I was eight years old. I think I got my talent from my father, who is a well-known. I have been watching him paint from young and slowly become interested in the craft. These days, I spend hours painting during my free time.

**B – RYAN, 17 years old**

I am in both my school and community football teams. I train and spend endless hours honing my skills on the field. I aspire to be a national footballer one day. My teams have played on many tournaments and even won some of them!

**C – SUSAN, 16 years old**

I am a young baker. I aspire to own a successful bakery business one day. At the moment, I'm taking advanced baking classes. I also take orders for cakes, pastries and pies around my

neighborhood to practise my baking skills. I have gotten compliments for my baking which really motivates me to do better.

**D -ANDY, 15 years old**

My favourite hobby is gaming. I have been playing computer games since I was about ten years old and now I'm quite good at it. In fact, I placed second at the recent junior gaming championship. I hope one day I can turn my hobby into a career. Many young people are gaming for a living as it pays well.

**E - JOHAN, 17 years old**

I think I have climbed almost every hill and mountain in the country. Being the son of a nature enthusiast, I started this hobby from a young age. I am currently training to be a guide and once licenced, I can take small groups up mountains for hiking and camping.

**F - DAVE, 15 years old**

I think the sea world is amazing and that is my greatest passion, I started scuba diving when I was 10 years old. Both my parents are divers too, so they encouraged me take up the course. I have been to many diving spots in the country but my favourite has got to be Pulau Sipadan.
