MARTIN: Good morning. This is Burnham tourist office, Martin speaking.
SUE: Oh, hello. I saw a poster about free things to do in the area, and it said people should phone you for

1_____. I'm coming to Burnham with my husband

and two children for a few days on 2_____, or possibly the 28th, and I'd like some ideas for things to do on the 29th .
MARTIN: Yes, of course. OK. Then let's start with a

3_____ events especially for children. The art gallery is holding an event called 'Family Welcome' that day, when there are activities and trails to use throughout the gallery.
SUE: That sounds interesting. What time does it start?
MARTIN: The gallery opens at 10, and (1) the 'Family Welcome' event runs from 10.30 until 2 o'clock. The gallery stays open until 5. (2) And several times during the day, they're going to show a short film that the gallery has produced. It demonstrates how ceramics are made, and there'll be equipment and materials for children to have a go themselves. Last time they ran the event, there was a film about painting, which went down very well with the children, and they're now working on one about sculpture
SUE: I like the sound of that. And what other events happen in Burnham?
MARTIN: Well, do you all enjoy listening to music?
SUE: Oh, yes.
MARTIN: (3) Well there are several free concerts taking place at different times - one or two in the morning, the

majority at lunchtime , and a 4_____ in the evening. And they range from pop music to Latin American.
SUE: The Latin American could be fun. What time is that?

MARTIN: It's being 5_____ several times, in different places. They're performing in the Central Library at 1 o'clock, (4) then at 4 it's in the City Museum , and in the evening at 7.30 there's a longer concert, in the theatre.

SUE: Right. I'll suggest that to the 6_____ of the family.
MARTIN: Something else you might be interested in is

the 7_____ along the river.
SUE: Oh, yes, do tell me about that.
MARTIN: (5) The race starts at Offord Marina , to the north of Burnham, and goes as far as Summer Pool. The best place to watch it from is Charlesworth Bridge, though that does get rather crowded.
SUE: And who's taking part?

MARTIN: Well local boat clubs, but the 8_____ is very high. (6) One of them came first in the West of England ....
