Part M – Read the text

On the first day of school, Mia packed her binder, dividers, display folder, document wallet, stapler, hole punch, sticky tape, paper clips and headphones. During class, the teacher gave the students several worksheets. Mia used the hole punch to make holes in the worksheets before placing them into her binder. She used the dividers to separate English, Mathematics and Science. Later, the teacher asked the class to complete a listening activity, so Mia used her headphones. Before she went home, she put her homework into her document wallet so it would not get lost.

1. Circle **10** stationery items in the text.
2. What did Mia use to organise different subjects?
3. Where did Mia keep her homework?
4. What did Mia use before putting the worksheets into her binder?
5. Why did Mia need her headphones?
