ESCUELA AMERICANA EXTENSION

Reading activity

(Month 1)

Students: _____ **Date:** _____

Teacher: Karla Patricia Mejia **Level:** A1+

Read the text and solve the exercises.

Kevin is a very good student. Last year he was very happy. At the end of the school year all the students in his class were ready to go to England to spend a fortnight there.

They were in a summer course in Oxford and many other foreign students were there too.

The school was situated in Park Lane and it was wonderful being there. The classes were in the morning and in the afternoon they had many different activities. The programme was great.
