WORK EXPERIENCE

Teenagers _____(often seek) work experience during their school years, and this can benefit them in many ways. First, it (_____help) them gain valuable skills that _____(aid) them in their future careers. For example, working part-time at a retail store (teaches) them customer service skills and _____(emphasize) the importance of punctuality.

Many teenagers _____(work) jobs during the summer break. They _____(take on) various roles, such as lifeguards at the local pool or camp counsellors. These experiences (give) them a sense of responsibility and _____(9. teach) them teamwork.

We've asked Alicia about her job experience this winter:

R: Alicia, _____ you already _____(know) what you _____(do) this winter?

A: No, not yet. I _____(think) I _____(ask) my father if they need any help at his company. His company packages things in boxes, different things. It_____(be) nothing exciting. Right now they _____(package) some pens and pencils to smaller boxes but he told me that next week they _____(get) a shipping of candy to pack. That could be exciting. Actually, I _____(call) him right now. See you later.

R: Ok Alicia, thank you for your time.
