GLOBAL SUCCESS 6 – UNIT 1 MY NEW SCHOOL

Starting at a new school can be exciting but also a little scary. On my first day, I did not know anyone, so I felt quite nervous. Luckily, two classmates smiled at me and invited me to sit with them. They showed me around the school, introduced me to other students, and helped me find my classrooms. At lunchtime, we ate together and talked about our hobbies, favorite subjects, and weekend activities. Soon, we discovered that we all enjoyed playing badminton and reading comic books. Thanks to their kindness, I quickly felt comfortable at my new school. I am happy because I have made good friends who always support and encourage me.
