| *Do you mean that _____ ?* | *That's right. _____ .* |
| *So, you're saying that _____ ?* | *Not quite, but _____ .* |
| *Do you actually believe that _____ ?* | *That's exactly what I mean. _____ .* |

**Partner A**

1. I don't think that people will need to get directions to places thirty years from now.
2. _____ I think that we'll have technology with the ability to know where we want to go at any time.
3. _____ I think the machine will have access to everyone's information, and it will use that information to get to your friend's new address.
4. Yes. _____ .

**Partner B**

1. Really? _____ people will just know how to get from one place to another in the future?
2. No way! I don't think so. What if I want to visit a friend who has moved and I'm not sure where he lives? _____ there will be a kind of machine that understands how to get to a place even if I don't know where to go myself?
3. _____ a machine will find a person's new location by itself?
4. Well, that would really be something!
