2. READING — "MEET THE STUDENTS"

Read the text carefully.

The International Student Club

The International Student Club has four new members.

Sofia is 13 years old. She's Colombian and she's from Bogotá. Her sister, **Valentina**, is 14. They're both interested in music and technology.

Sofia's phone number is **310-704-0182**, and her email address is **sofia_music07@gmail.com**. She often visits **www.musicworld.com**.

Valentina's phone number is **305-018-2046**. Her email is **vale_guitar_14@hotmail.com**. She's interested in guitars, but her guitar is actually older than she is. It's about 16 years old!

Their friend **Emma** is from Canada. She's Canadian and she's 13. Her bike is about two years old. Her brother is 18, and he's also a member of the club.

The fourth student is **Kenji**. He's from Japan, so he's Japanese. He's about 14 years old. His room number at school is **204**, and his student code is **KJ-0147**.

The students are different, but they're all interested in learning about other countries.

A. True or False?

Select **T** or **F**. Correct only the false sentences.

1. Sofia is 14 years old.
2. Sofia is Colombian.
3. Valentina is younger than Sofia.
4. Sofia and Valentina are sisters.
5. Valentina's guitar is about 16 years old.
6. Emma is Brazilian.
7. Emma's bike is about two years old.
8. Kenji is from Japan.
9. Kenji's room number is 204.
10. All four students are interested in learning about other countries.

3. READING CHALLENGE — FIND THE MISTAKES

A student wrote this summary:

> Sofia is 14 years old and she is from Colombian. Her nationality is Colombia. Her sister Valentina are 13 years old. Valentina's guitar is exactly 16 years old. Emma is from Canada, but she isn't Canadian. Kenji are Japanese and his room number is two hundred and four.

There are **at least 8 mistakes**.

Rewrite the paragraph correctly.
