LIVEWORKSHEETS

Reading

E. Read the reviews. Circle *True* or *False* for each statement.

Our favorite reviews

We love this app. If you like to listen to music, then this app is for you. You can make your own playlists of the singers and the bands that you like. When you hear music you like, you use the app and it tells you the names of the singers and the bands. It isn't an expensive app and we love it. And you?

.....

This is a great tablet. It has a camera and you can use social media apps. It is really fast and you can send text messages and emails with this tablet. It has a great design and you can buy it in different colors. A small tablet with a great price! On sale next month in August. Buy one!

.....
