My Busy Weekend

My weekends are always fun and busy. On Saturdays, I usually wake up early and go to the market with my mother. We walk there because it's close to our house. At the market, we buy fruits and vegetables. After that, I help her cook lunch in the kitchen. I always cut the tomatoes and carrots.

Last weekend, my cousin came to visit. He slept in the bedroom next to mine. We played video games in the living room and made popcorn. On Sunday, we went to the zoo. We saw monkeys, lions, and elephants. The monkeys were jumping between the trees! It was sunny and warm, so we wore hats and drank orange juice. I love weekends because I spend time with my family and do fun things.
