A BEAR IN THE HOUSE

Something strange happened to Jenny last Saturday. It was a cold, foggy evening and she was walking home from her best friend's party. When she got home she took out her key, opened the door and turned on the light. Suddenly she saw a big fat bear looking at her! It had a piece of cake in its hands and a biscuit in its mouth. "Oh no!" she thought. "There's a bear in my living room! What am I going to do?"

She was sure the bear wanted to eat her, so she quickly ran out of the house. She started shouting for help … but no one could hear her! Jenny ran to the apple tree in the garden and climbed up as high as she could. The bear followed her and sat under the tree eating its biscuit.

Then suddenly, the bear took its head off! And then Jenny saw her brother with the bear's head in his hands. He couldn't stop laughing!" As soon as I climb down, I'll show you!" shouted Jenny. "You'll never catch me! You're not as fast as me!" said Jenny's brother and he ran quickly into the house closing the door behind him.
